

KINGDOM OF NORTH BARCHANT

Date... 10.02.2023

Treaty of Mutual Recognition

between the Kingdom of North Barchant and the Principality of Gilaïe

By signing the Treaty of Mutual recognition between the **Kingdom of North Barchant** and the **Principality of Gilaïe** (hereinafter the Treaty), the parties officially recognise the sovereignty and independence of both States and establish official diplomatic and economic relations.

This Treaty establishes that the sovereignty and independence of the **Kingdom of North Barchant** and the **Principality of Gilaïe** shall not be infringed or abridged in order to further strengthen the status of any states.

Through this recognition of diplomatic relations, it shall be established that both states remain separate and equal independent states with regard to national legislature and foreign affairs.

This Treaty establishes relations only between the signatory states.

Both states acknowledge these relationships to be built on co-operation and perpetual peace between the two states, and that both independent states respect and recognise the sovereignty, laws, and conventions of the other.

This Treaty shall officially come into force immediately upon the signature and ratification of the document by the independent national legislative body or alternative representative bodies and heads of states.
