To whom it may concern,

On the tenth of June 2021, a new state has been established: The  
Principality of Gilaïe. The goal of this letter to inform the government  
of your country and request acceptance, as well as recognition.

The territory of Gilaïe is clearly explained in our proclamation of  
independence, which has been attached with this letter. As well as more  
information and a request for recognition as a state.

We humbly request a representative of your country to read the attached  
proclamation and inform me if any questions or remarks occur.

If this message is answered with two weeks of silence, the government of  
The Principality of Gilaïe will interpret this as recognition as a state.

Please feel free to respond to this letter via email.

With the utmost respect,

Yours faithfully,

His Majesty the Potentate of Gilaïe
